Please see attached document.

Revenue is on the down side. We can definitely purchase one cart as mentioned in April meeting. We would like to wait and see how much money is left over in order to purchase a second cart or Chrome books. We cannot carry any funds over to the next year, so we might be able to purchase the second cart.

Stacy Ganz-Kahn makes a motion to approve April minutes as written. Guocheng Jin 2nds. All in favor. Motion passed.

Guest Speakers - Mr. Leffler and Mrs. McClary- Speak on Transitioning to Middle School.

Responsibilities and expectations - for students, parents and teachers.

Mr. O's report

We had A very successful Kindergarten Orientations. We had about 70 in coming kids.

Thank you for the staff appreciation week. We are very thankful for everything that you all do to show the staff how you appreciate us.

We have a school event on May 19th. Mr. Romans has a non-competitive Field Day that parents are welcome to come to. It is just a fun day for kids to come together and enjoy playing organized games with each other. There is also a rain day for the following week.

No updates to provide for staffing from last meeting. Our staffing is dependent on our student numbers.

One more push for the last meeting of the year. We have a summer program from 9-12pm that runs for 3 weeks in July. It is tuition based. Tuition is proratable for the weeks being attended.

I want to thank the PTA for everything that they do. I would like to thank Mrs. Kahn publicly, for taking on the presidency for 3 years. It is a time consuming position, but it is very well appreciated not only for your children but for the children of the school.
