

Pre-Order School Supplies
For 2013-2014!

Order next fall's school supplies today! This is an opportunity to beat the Back To School rush in August and have your child's school supplies delivered directly to school!

On the attached flyer, the information about your child's packet is listed on the second page. This is the same MCPS-approved, grade-specific list that will be announced in the fall.

All of the other items on the flyer (backpacks, water bottles) are optional items that you can add to your order.

Your child's packet will arrive in a box with their name on it, and will be available for pickup at the Back to School event on August 23rd.

- If you would like to take advantage of this opportunity, the PTA would prefer that you order on-line. The website is <https://shopttkits.com> and the BMES Account Number is 86620.
- Or, you can order using the attached flyer. Just return the form, along with a check made payable to BMES PTA, to the BMES office in an envelope marked PTA SchoolKidz.

**** The deadline for on-line orders is May 31, 2013 ****

**** The deadline for paper orders is May 24, 2013 ****

Skip the lines and order today!
