- **Please remember to replenish your student’s lunch account. The school is responsible for paying any negative balances that remain at the end of the school year. If your child owes money to the cafeteria please make a deposit as soon as possible.**
- **Gifted and Talented information will be coming home in backpacks to Gr. 2 parents and parents of Gr. 3, 4 and 5 students who were either new or rescreened this year.** Check your child’s backpack for a letter from school containing the Gifted and Talented testing information and instructional recommendations for next year. The information is based on the InView Assessment that your child took in December. Using the assessment data and information from parent surveys, teacher survey, staff advocacy forms and reading and math levels, instructional recommendations were made for your child for next year. If you have any questions or concerns regarding the letter, please contact the school before the end of the year. Staff will be available until June 16 to answer your questions. Remember to check backpacks.
- **Congratulations to Mr. Allen and the instrumental music students for a fabulous end of year concert. Their performance reflected a year of hard work and practice.**
