CLASS DESCRIPTION

POTTERY FOR KIDS MUDSKIPPERS

Join Mudskippers Pottery and fall in love with pottery! Come get your hands dirty as we explore all things muddy with stoneware clay, fired bisqueware and modeling/air dry clay. Each session our students explore new projects and artworks. Come on and see how much fun it is to get muddy!

SPANISH EASY SPANISH 123

Take advantage of our beginner program designed to develop the fundamentals of the Spanish language. 2nd through 5th graders is introduced to writing, with focus on sentence formation. Although more substantive, these classes are delivered in a fun, yet challenging environment designed to solidify each child's grasp of the Spanish language

CHEMICAL REACTIONS ISTEAM

Our fall session is dedicated to learning all about chemical reactions. Students will learn how to identify a chemical reaction. We will conduct fun experiments involving color changing, making things foam, and changing color and shape. At the end of the course, students will understand pH levels, non-Newtonian fluid, what a catalyst is, and so much more! Our young scientists are encouraged to ask questions, think critically, experiment, and explain their reasoning and problem-solving. As a result, they will deepen their collaboration, creativity, and critical thinking skills, as well as their understanding and interest in science. Requirements: access to sink

LITTLE VETERINARIAN SCHOOL LITTLE MEDICAL SCHOOL

The Little Veterinarian School encourages elementary school children to role play and explores the exciting world of veterinarians. Using interactive demonstrations, crafts, and games, kids learn how to take care of a pet and use instruments that real veterinarians use.

DEBATE CLUB SPARK BUSINESS ACADEMY

Students learn the art of persuasion and help select debate topics they find interesting. In a public forum debate format, students work in groups and practice their debating skills in a supportive environment, including developing arguments, issuing rebuttals, providing examples, rebuilding their case and summarizing points of view. Young debaters learn to think on their feet and enhance their public-speaking skills, gaining self confidence in the process.

HIP HOP MESSAGE IN MOTION

Does your child love to dance in the car or attempt break dancing in the kitchen? Then this might be the class for them! In this high energy hip hop dance class, students will learn the fundamentals of this increasingly popular dance form including break dancing, popping and locking, freezes, as well as iconic hip hop movements including the cabbage patch, the wave, the snake, and more! Class emphasizes rhythm and style, personal expression, choreography, basic strengthening and conditioning, and having fun! Class culminates with an informal end of session in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on dance days. Hair pulled back.
