CLASS DESCRIPTION

POTTERY FOR KIDS MUDSKIPPERS

Join Mudskippers Pottery and fall in love with pottery! Come get your hands dirty as we explore all things muddy with stoneware clay, fired bisqueware and modeling/air dry clay. Each session our students explore new projects and artworks. Come on and see how much fun it is to get muddy!

FRENCH LANGUAGE FRENCH ACADEMY

Fun interactive French Class, in immersion: we will learn new vocabulary and build sentences (questions and answers) with role playing, songs and crafts. We will also work on phonetics and sounds. Older children will be encouraged to read and write.

MUSICAL THEATER MESSAGE IN MOTION

Students will learn the meaning of a triple threat performer in this class that introduces the main components of musical theatre including voice, acting, basic music theory, and dance technique (typically musical theatre jazz/broadway style and/or hip hop.) Learn choreography and staging basics while utilizing props, role playing, and imagination to aid in personal expression and creativity! Students will learn and collaborate on mini musical routines from both old school Broadway shows like Cat and Mary Poppins, to more contemporary productions and shows like Hamilton, Annie, Lion King, and more! Students will showcase what they have learned at an end of session informal in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on class days. Hair pulled back.

MY FIRST LEMONADE STAND SPARK BUSINESS ACADEMY

Let's sell lemonade! Young students become "lemonade entrepreneurs" and learn how to make yummy lemonade and earn money selling it! From designing marketing flyers to estimating profits to experimenting with recipes, students have fun while developing business savvy. As an optional showcase event, students launch their lemonade stand to raise money for a charity they select!

SPACE EXPLORERS ISTEAM

During the STE(A)M Space Explorers session, our young astronauts will launch a rocket into space, learn about moon phases, make models of planets, constellations, solar eclipses, moon craters and more. We will learn about kinetic energy, gravity, force, trajectory, acceleration, velocity, hemispheres, force, shock, absorption, orbits and so much more. We will discover how these forces shape the world around us!

SPANISH EASY SPANISH 123

Take advantage of our beginner program designed to develop the fundamentals of the Spanish language. 2nd through 5th graders is introduced to writing, with focus on sentence formation. Although more substantive, these classes are delivered in a fun, yet challenging environment designed to solidify each child's grasp of the Spanish language

CHESS CLUB

MAGNUS CHESS ACADEMY FORMERLY KNOWN AS SILVER KNIGHTS

Learn chess with Magnus Academy (formerly Silver Knights), world champion Magnus Carlsen's academy! We've taught 100,000 children to play including state & national champions, but most students are beginners looking to learn a new skill and have FUN. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments (in-person and online) outside of club time. This in-person club includes free online extras including weekly practice tournaments and an event with world champion Magnus Carlsen or Judit Polgar, the best female chess player of all time. All chess supplies provided. All skill levels are welcome. For more information please visit chessacademy.com.
