## CLASS DESCRIPTION

### MUSICAL THEATER MESSAGE IN MOTION

Students will learn the meaning of a triple threat performer in this class that introduces the main components of musical theatre including voice, acting, basic music theory, and dance technique (typically musical theatre jazz/broadway style and/or hip hop.) Learn choreography and staging basics while utilizing props, role playing, and imagination to aid in personal expression and creativity! Students will learn and collaborate on mini musical routines from both old school Broadway shows like Cat and Mary Poppins, to more contemporary productions and shows like Hamilton, Annie, Lion King, and more! Students will showcase what they have learned at an end of session informal in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on class days. Hair pulled back.

### BATTLE ROBOTS ROBOTHINK MCLEAN DISCOVERY CENTER

Do you think you can build the strongest and most agile robot? Can your robot win a head-to-head combat mission? Learn engineering strategies for building sturdy structures using unique RoboThink bricks, and then apply that knowledge to build multiple robot for a variety of friendly competitions. You'll have a blast as you play robot soccer, compete in robot relay races, and complete dozens of other fun challenges in this fun robots program.

### LITTLE PEDIATRICIAN LITTLE MEDICAL SCHOOL

Little Pediatrician School - Our Little Medical School® - Future Pediatrician class takes a new twist on the traditional expectant sibling offerings. Using our successful role-playing techniques, students will assume the role of a pediatrician and learn how to hold the baby, do an exam just like a real doctor, change a diaper and keep the baby safe. Each Future Pediatrician will receive a disposable white coat, luxury plush baby, an exclusive mini Baby Box® for safe sleeping, activity sheets, and a birth certificate.

### CARTOON DRAWING WITH YOUNG REMBRANDTS ART BOX

There's no better way to get a jump on spring than with our creative and fun Young Rembrandts cartoon classes. Hop into the month of April with our funny frogs' drawings. Your heart will smile when you see the cute and cuddly creatures your student will draw in our baby animals and waiting dogs sequences. Who knew that our food was so silly, we will be drawing up ice cream characters and lively lunches. And it doesn't stop there; our lively cartoon class is packed with hilarious and silly characters and scenes your cartoonist won't want to miss – all new this season, sign up today!

### POTTERY FOR KIDS MUDSKIPPER

Join Mudskippers Pottery and fling into Spring! Come get your hands dirty as we explore the world of pottery with stoneware clay, fired bisqueware and modeling clay. Each session our students explore new projects and artworks. Come on and see how much fun it is to get muddy!

### CRAZY CHEMWORKS MAD SCIENCE

This action-packed after-school program is bubbling over with classic experiments and crazy concoctions. Perform spectacular hands-on activities using real tools. Witness stunning demonstrations and join in inquiry-based discussions. Students will learn, and apply, the concepts and techniques just like a real chemist. Crazy Chemworks is the perfect introduction to elementary chemistry.

### CHESS CLUB MAGNUS CHESS ACADEMY FORMERLY KNOWN AS SILVER KNIGHTS

Learn chess with Magnus Academy (formerly Silver Knights), world champion Magnus Carlsen's academy! We've taught 100,000 children to play including state & national champions, but most students are beginners looking to learn a new skill and have FUN. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments (in-person and online) outside of club time. This in-person club includes free online extras including weekly practice tournaments and an event with world champion Magnus Carlsen or Judit Polgar, the best female chess player of all time. All chess supplies provided. All skill levels are welcome. For more information please visit chessacademy.com.

### EARTH SCIENCE ISTEAM

This spring, we are going to explore the wonders of the world around us – and below our feet! In this engaging and informative course, students will learn about extreme weather, soil layers, and how mountains form. Join us for exciting projects like creating an animal habitat and learning how to mine! Students will use their creativity in crafting projects and gain a deeper understanding of how animals and plants interact with the world.
