

# PANDA PROGRAMMER

Fridays  
4:15PM  
to  
6:15PM

Instead of just PLAYING video games,

your kids can DESIGN and PROGRAM them!

## LEARN CODING WITH PANDA PROGRAMMER

- Convenient after school classes right at **Bells Mill Elementary School**
- For students in grades K to 5
- Visit [PandaProgrammer.com](http://PandaProgrammer.com) to sign up for an upcoming session!
- Next sessions begins on **January 31st. Contact us to join a current session!**
- No computer experience is necessary, and computers are provided for each student
- **Only \$249 per session!** Each session consists of 6 weeks of classes
- Weekly courses offered all year long. See our website for COVID policies!
- Most students re-enroll to continue their learning
- Most importantly, KIDS LOVE IT!

PROGRAMMING  
IS FUN!

### Scratch

Created by MIT, Scratch is a program that allows students to create their own interactive stories, games, and animations.

### Robotics

Students can learn how to build and program an mBot robot. This is a favorite among our students!

### Python

From web development to data science, machine learning, and more, Python's real-world applications are limitless.

### JavaScript

JavaScript is the language that powers your favorite websites and online applications. Students learn HTML and CSS as well!
